

CSI HOUSTON CHAPTER

A DAY OF AIR BARRIER & ENCLOSURE EDUCATION
Houston, TX

PRESENTED BY
THE AIR BARRIER ASSOCIATION OF AMERICA
IN COLLABORATION WITH CSI Houston

Join us for a day of expert-led education with leading voices in building enclosures, air barriers, and airtightness. ABAA is proud to partner with CSI Houston for this high-level event featuring best practices for achieving durable, continuous air barrier systems – reinforced through live, hands-on mock-up demonstrations.

- **Through Wall & Transition Membranes – Selection & Installation,** 1.0 LU/HSW
- **Understanding Difficult Critical Transitions of Air, Vapor and Moisture Barriers,** 1.5 LU//HSW
- **Don't Go There: Navigating the Real, Imperfect Air Barrier Details,** 1.0 LU/HSW
- **Air Barrier Mock-Up Demonstration,** 2.0 LU/HSW

Presenters:

Meagan Elfert, *CDT, MBA, CBS, Vice President, York Flashings*

Corey Zussman, *AIA, NCARB, ALA (IL, IN, WI), QA/QC Vice President, AECOM – Hunt Construction*

Pamela Jergenson, *FCSI, CDT, CCS, CCCA, BECxP, CxA+BE, CABS, Technical Director of Building Science Solutions, Intertek*
