*An affiliate of the Houston Chapter
Construction Specifications Institute*

Scholarship Program

Objective:

To provide monetary scholarships for students actively enrolled in Texas colleges or universities to promote education in construction, design or construction related fields

Candidate Requirements:

1. Completed 60 hours of college/university credit with a 3.0 GPA (based on 4.0 grade system)
2. Submit current official transcript
3. Currently enrolled as a full time undergraduate or graduate student in a Texas accredited college or university in the Gulf Coast region
4. Majoring in Architecture, Landscape Architecture, Interior Design, Construction Management, Construction Technology, Engineering or other construction design or related field
5. Submit application and 300 word essay outlining goals and plans to achieve success within the construction industry and two letters of recommendation
6. Submit academic and work history resume
7. U.S. citizen

Candidate Selection:

A panel, selected by the CSI Houston Foundation Board of Directors, will be appointed to interview and recommend candidates for scholarship awards

Submission Deadline:

February 15, 2016

Scholarship winners to be announced April 15th and presented at the South Central Regional Conference in Houston
